SIYAL AL SHURUQ

Welcome To Our Company

Siyal Al Shuruq is a professionally managed company delivering integrated contracting, maintenance and support services for industrial, commercial and residential sectors across Saudi Arabia.

With a strong commitment to quality, safety and operational efficiency, the company has built a reputation for providing dependable solutions tailored to client requirements.

Our services cover construction, manpower supply, transportation, grounds maintenance, cleaning services, heavy equipment rental and industrial support operations. Through experienced supervision, skilled manpower and organized project execution, Siyal Al Shuruq continues to support clients with practical and cost effective solutions while maintaining professional standards in every operation.

SIYAL AL SHURUQ

Chairman Message

At Siyal Al Shuruq, we believe that strong business relationships are built through trust, commitment and quality service.

Since the beginning of our operations, our focus has always been to provide reliable support solutions that meet the expectations of our clients while maintaining professional standards across every project. We continuously work to improve our services, strengthen our operational capabilities and deliver solutions that add long term value to our clients.

Our team remains committed to excellence in contracting, maintenance, transportation, manpower and industrial support services, and we look forward to building lasting partnerships with organizations throughout Saudi Arabia.

SIYAL AL SHURUQ

Siyal Al Shuruq provides a wide range of operational and contracting services designed to support industrial facilities, commercial projects, residential developments and infrastructure works.

The company combines professional management, technical support and experienced manpower to deliver efficient services in grounds maintenance, sports facility maintenance, swimming pool maintenance, playground construction, transportation, construction works, cleaning operations, catering and heavy equipment rental.

We understand the importance of quality execution, timely service and customer satisfaction. Every project is managed with attention to operational standards, safety requirements and service reliability to ensure smooth and successful project delivery.
